

Decorative Door Hangers

Mark your space with a decorative door hanger made using Grafix Craft Plastic and Funky Film.

SUPPLIES:

- Grafix Heavy Weight Craft Plastic
- Grafix Funky Film – assorted patterns
- Adhesive runner
- Cardstock
- Hole punch
- Scissors or die cuts
- Rhinestones
- Craft mesh
- Ribbon or raffia

DIRECTIONS:

1. Peel away blue liner from Craft Plastic and hole punch top corners.
2. Cut out a rectangle of Funky Film, remove backing and adhere to Craft Plastic.
3. Cut out cardstock lettering with scissors or die cuts, layer on top of rectangle and adhere using an adhesive runner.
4. Decorate your door hanger with additional cut out designs or die cuts, ribbon, raffia, craft mesh and rhinestones.
5. Thread ribbon or raffia through hole punches to hang.
