

## Shoe Shopping Bracelet

Create this cute shoe shopping bracelet with Grafix Inkjet printable Shrink Film.

### SUPPLIES:

- Grafix Clear Inkjet Shrink Film
- Computer and printer
- Hole punch
- Scissors
- Conventional/toaster oven or heat gun
- Jewelry clasp (if desired)

### DIRECTIONS:

1. Print out images of shoes and shopping bags on the following page or download your own clip art images.
2. Cut out printed images and hole punch each piece.
3. Bake Shrink Film according to instructions on the package.
4. Thread the Shrink Film on to the thread alternating between Shrink Film and beads.
5. Tie the ends of the thread together to secure or use a jewelry clasp.
