Grafix New Products Available

Grafix Black Shrink Film returns! With a growing interest in jewelry making, Grafix Black Shrink Film is back by popular demand. It's fun and easy to create, cut and bake your art. Designs will shrink to half their original size and become durable plastic embellishments in minutes. Create unique jewelry pieces, key chains, zipper pulls, magnets and more. Perfect with die cuts, decorative scissors and punches.

Grafix Shrink Film is offered in Clear, Matte, White and Black, as well as Clear and White Inkjet printable and 6 bright colors (Red, Orange, Yellow, Green, Blue and Purple) in packs of 6, 10 or 50, 8.5x11" sheets.

Grafix Metallic Foil Board now includes Black and Pink. These new colors offer brilliant shine laminated to a heavy poster board. Add Metallic Foil Board to any project for eye catching effects. Great for backgrounds, borders and die cuts. This surface is easy to cut with your favorite decorative scissors and layer in scrapbooks, cards and collages.

Grafix Metallic Foil Board is available in Red, Green, Gold, Silver, Blue, Black and Pink in a pk/10 -10x13" sheets, pk/25 -12x12" sheets and pk/25 - 20x26" sheets.

Grafix is your source for Creative Plastic Films for fine art, craft, scrapbooking and paper crafts. We offer films for displaying and protecting artwork, stencil making, designing custom rub ons, printable transparencies and creating your own cling decorations and shrink film embellishments.
