

Rub-Onz Tie Dyed Birdhouse

Designed by: Tami Sanders

Supplies:

Grafix Rub-Onz Transfer Film

Michael's: Wood Birdhouse

DecoArt: Black and Yellow Paint

Hobby Lobby: Black and White Dashed Ribbon

Beacon: Zip Dry Glue

Tie Dye Clip Art

Inkjet or Laser Printer

Sand Paper

Scissors

Pencil

Foam Paintbrush

Directions:

1. Lightly sand birdhouse and remove any dust.
2. Paint sides of birdhouse yellow and trim black, leave the roof unpainted.
3. Follow directions on Rub-Onz Transfer Film to create your tie dyed image to use on the roof and ribbon trim.
4. Measure each side of roof and use pencil to trace patterns using measurements onto the rub on you created. Cut out roof pieces and adhere according to package directions.
5. Cut thin strips of leftover rub on to fit down center of dashed ribbon. Adhere strips to ribbon and then adhere ribbon around base of birdhouse.
