## Essentials™ Creative Surfaces

Unique and popular Grafix® products are now in one complete economically sized and priced creative line. This versatile line of products can be merchandised in most creative planograms: paper crafts, kids arts & crafts, mixed media / collage, print making, book making, hobby crafts, stationary, stenciling, stamping and more. The grab-and-go sizes easily fit into any available space or endcap with supporting materials. Space saving displays are also available.
