

GRAFIX CUSTOM QUOTE QUESTIONS

To help expedite a custom quote request, please keep answers in mind to these important questions.

What material is needed, if not sure, what is application?

Are there any special finishes needed?

What thickness is required?

Quantity?

Size?

How soon is the material required?

Is this for a bid?

Will this be drop shipped?

What is the customer's application?

Indoor or outdoor use?

Using with paints or any other mediums?

Is material being folded, glued or further processed?

Is the customer aware there may be minimums for special sizes?

Is the customer aware there may be longer lead times?

Does the customer want the trim?

Will material be re-ordered or is it a one time purchase? If re-ordered, how often?
