

# Butterfly Acrylic Pendant by Grafix

Designed by: Tami Sanders

Make your own stylish acrylic pendant. Just print your favorite photo, design or saying on Computer Grafix Adhesive Backed Film. Voila... a custom look that will match any outfit!

## Supplies:

Computer Grafix Clear Adhesive Backed Film  
Acrylic Flat Backed Crystal  
Black Leather Cording  
9MM Silver Jump Ring  
Pencil  
Scissors  
Jewelry Pliers  
1/16 Hole Punch

## Directions:

1. Open photo in photo editing program.
2. Crop photo; keeping shape of acrylic crystal in mind.
3. Add desired text to photo.
4. Flip photo horizontally to create mirror image.
5. Open or paste photo into a word processing program and size photo a little larger than size of pendant.
6. Print a test copy on regular paper, check size with crystal and adjust if needed.
7. Print on sheet of Computer Grafix Adhesive Backed Film; let dry.
8. Place flat back side of crystal over photo, trace around crystal with pencil and cut out.
9. Trace around crystal again on a blank space on the adhesive sheet; cut out.
10. Remove backing from photo and adhere to back, flat side, of pendant; do not burnish yet.
11. Remove backing from clear piece and adhere over photo.
12. Lightly burnish both pieces using your finger.
13. Punch hole and insert jump ring at top of pendant.
14. Cut cord to desired length, thread through jump ring and knot ends of cord.
