

Flower Scrapbook Page

Designed by: Grafix Designer

Supplies:

Grafix Black Chipboard
Grafix Double Tack
Grafix Inkjet Printable Vellum
Patterned Paper
Flower brads
Ribbon
Pink, Green and Orange Cardstock
Glitter
Acid Free Adhesive

Directions:

1. Cut out 4 flowers with a die cutter or by hand.
2. Embellish the flowers with glitter and allow to dry.
3. Adhere the flowers to the page with Double Tack.
4. Create stems with ribbon and secure with Double Tack.
5. Print journaling on Inkjet Vellum and frame with cardstock.
6. Use brads to secure the journaling and cardstock layers together.
7. Frame your photo with cardstock and adhere the photo to the page using Double Tack.
