

Road Trip Card

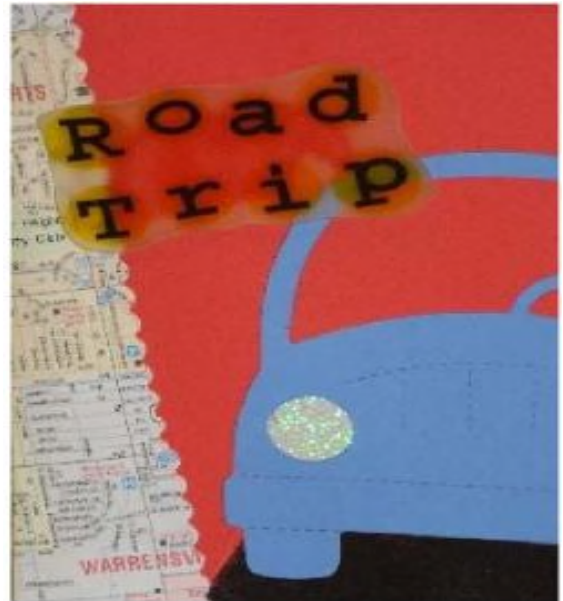

Designed by: Grafix Designer

Supplies:

Grafix Clear Ink Jet Shrink Film
Grafix Silver Sequins Funky Film
Grafix Double Tack
Red, Black, Blue card stock
Map
Scissors

Directions:

1. Print "Road Trip" with a yellow background on to the Shrink Film.
2. Cut out and back according to the instructions on the package.
3. Die Cut, or trace a car shape on the card stock and cut out with scissor.
4. Cut a circle of Funky Film for the headlight and apply.
5. Cut the Red cardstock to the desired size, here our card is 8.5"x5.5".
6. Fold the card in half.
7. Cut a strip of black card stock and secure to the bottom right of the card.
8. Place your card to the side so that it hangs off the side.
9. Apply with Double Tack and trim the excess.
10. Cut a piece of your map to go over the left side of the card, you can use decorative edge scissors to add detail.
11. Secure with Double Tack.
12. Apply your Shrink Film with Double Tack.
