5 NEW Accessories!

EDGE Accessories for Urban Artists

Convenient for both the retailer to merchandise and the artist to identify.

Clear Stencil Film

A tear resistant and easy to cut polyester film for creating durable stencils that will withstand heavy handling and repeated use.

- RESF2025 – 20"x25' & RESF2050 – 20"x50'
- RESF4012 – 40"x12' & RESF4025 – 40"x25'

Matte Low Tack Frisket Film

A self adhering masking film for smooth surfaces, including glass and plastic. Large format for mural painting.

- REFLM2430 – 24"x30' & REFLM2445 – 24"x45'

Matte Extra Tack Frisket Film

A self adhering masking film with an aggressive adhesive for rougher surfaces, like brick and wood.

REFE2430 – 24"x30' & REFE2445 – 24"x45'

Red Rosin Paper

A quick, inexpensive substitute for drop cloth. This paper can absorb spills and provide a protective barrier.

- RERP3620 – 36"x20'

Newsprint Paper

A lightweight sketch paper for on the fly ideas with markers and pens. Makes an economical masking paper for overspray protection too!

- RENP2050 – 20"x50' & RENP3650 – 36"x50'

Safety Glasses

An easy way to avoid eye irritants such as dust, debris and spray paint.

- KESGC1

Painter's Edge

A 12" or 24" portable tool that creates a great EDGE and will protect from overspray. Perfect for large areas and hard to get corners.

- KEPE12 & KEPE24

Can Gun Spray Tool

A trigger mechanism that snaps on to paint cans to comfortably control spray flow and minimize finger fatigue.

- KECG1

Dust Mask

A comfortable way to avoid breathing airborne particles, some of which you can't even see.

- KEDM1

Bandana Mask

A lightweight black or white fabric mask that protects the face and neck from overspray. Easy to take on and off.

- KEBBM1 & KEWBM1

Vinyl Gloves

Long lasting, black or white powder-coated gloves for easy application and all day protection.

- KEVGL10-B & KEVGL10
