

# Embossed Shrink Pin

Designed by: Kay Molyneux

Create your own unique pins for you or your friend using Graftix Shrink Film.

## Supplies:

Graftix Metallic Gold and Silver Shrink Film  
Die Cutting Machine  
Compatible Die Cuts  
Clear Embossing Ink Pad  
Craft Heat Tool  
Opaque Embossing Powder  
Pin Backing  
Superglue

## Directions:

1. Select your die cut shape and die cut the Graftix Metallic Shrink Film, your choice of gold or silver.
2. Follow the shrinking instructions on the back of the package.
3. Push the shrunk shape into the embossing pad to cover one side with ink and then cover with the embossing powder.
4. Use the heat tool to melt the powder and leave until cold. *Note- If the powder doesn't cover the shape after heating, leave to cool and repeat the application.*
5. Attach the pin to the back of the embossed shape with a drop of superglue. Let the glue dry.
