Directions:

Cake/Cupcake Toppers using Grafix Clear Inkjet Shrink Film
1. Start by taking an image of your choice to print, you can use a Free Unicorn Printables here, onto a sheet of Grafix Clear Ink Jet Shrink Film. Or creating your own digital design.
2. Print out the image(s).
3. Cut the image(s) out.
4. Pre-heat oven and follow Grafix Shrink Film baking instructions for best results.
5. Let cake/cupcake toppers cool while you heat the hot glue gun.
6. Next, cut lollipop sticks into assorted sizes.
7. Lastly, add small drops of hot glue to backs of cake/cupcake toppers by gently pressing lollipop sticks to each topper or place a toothpick to the back of each topper securing into place with a piece of washi tape.
