

Clear Craft Plastic Journal

Designed by: Cat Kerr

Create a unique paperless art journal using Grafix Clear Craft Plastic and Clear Adhesive-Backed Computer Grafix.

Supplies:

Grafix Clear Craft Plastic Film .020
Clear Adhesive-Backed Computer Grafix Film
Scissors/ Rotary Cutter
Americana Multi-Surface paints Coastal Waters, Chartreuse, and Lipstick
Americana Lamp Black
Wax Paper
Cat Kerr Math Stencils
Cat Kerr Foam Stamps
Opaque White Marker
Watercolor Art Parts assorted shapes
Tim Holtz Foundry and Milagros Adornment Charms
Tim Holtz Paper Dolls
Tim Holtz Small Talk Text Stickers
Tim Holtz Ideaology Mini Book Rings
Clear Packing Tape
1/16 Paper Hole Punch
Thread
Small Brayer
Assorted flat items to incorporate into the journal

Directions:

Journal page

1. Remove protective liner from Clear Craft Plastic Film.
2. Cut into random rectangle sizes.
3. Paint one side with Americana Coastal Waters and Americana Chartreuse. Before it completely dries place a stencil on the paint and remove the excess paint with a baby wipe.
4. Add additional texture by using a stylus and let dry.
5. Add Black paint to the foam buddy and use it to add the paint to the foam stamp. Add foam stamps designs to the other side of the clear craft plastic and let dry.
6. Add additional texture to the foam stamp by using a white opaque pen on the black foam stamps.

Embellishments

7. Print up assorted black and white images on Clear Adhesive-Backed Computer Grafix Film.
8. Paint the Art Parts in Americana Multi-Surface paint Lipstick.
9. Add splatters of Coastal Waters to the Watercolor Art Parts.

Clear Craft Plastic Journal

Designed by: Cat Kerr

10. Pick and cut out a design from the Computer Grafix Film, remove the backing, place it on the Art Part and trim around the art part.
11. Embellish the Tim Holtz Paper dolls by adding Computer Grafix Designs to the lighter parts of the clothing. Add holes and feed thread through the holes for additional texture.
12. Optional Embellishments can include painted canvas, ribbon, and thread, crochet scraps; anything thin enough to add to your journal page.

Put it all together

1. Assemble pages with embellishments. Cover the front and back in clear packing tape. Leave a ½" overhang of clear packing tape on the left side of the page. Use a brayer to press all the pieces together.
2. Use the hole punch to add holes to the ½" overhang tape area in one of the journal pages and then use that one page as the hole template for the other pages.
3. Add the mini book rings and connect all the journal pages.
4. Hang Adornment Charms from the top book ring.
