

Grafix Craft Plastic Mixed Media Tag

Designed by: Tania Ahmed

Let your creativity shine on whatever you do, like gift tags! Create your own Mixed Media Tag using Grafix Opaque White Craft Plastic Film.

Supplies:

Grafix Opaque White Craft Plastic Film
Scissors
Paper Ephemera
Acrylic Paint or Alcohol Markers
Pens
Markers
Markers
China Pencil
Brayer
Gel Medium
Glue Stick
Tag

Directions:

1. Use the scissors to cut Grafix Opaque White Craft Plastic Film down to your desired tag size.
2. Create a design with the alcohol inks or by applying paint to the Craft Plastic Film with a brayer.
3. Add ripped pieces of paper ephemera to the dried surface.
4. Cut additional pieces of paper ephemera into a leaf or flower shapes.
5. Add details and highlights with pens, markers, and pencils.
6. Finally, use the gel medium or a glue stick to adhere to your Craft Plastic Film design to the tag.
