Directions:

1. Use a metal die to cut a pumpkin shape out of Grafix Gold Metallic Foil Board.
2. Then using a sponge dauber grunge the edges of die-cut pumpkin with Staz-on Pigment Piano Black Ink.
3. On your computer, printout an inverted Halloween script onto the Clear Computer Grafix Film.
4. Die-cut a smaller pumpkin out of the inverted script printed on the Clear Computer Grafix Film.
5. Adhere the Clear Computer Grafix Film pumpkin onto the Gold Metallic Foil Board pumpkin with Grafix Artist-tac Adhesive.
6. Then print a Happy Halloween sentiment and larger Halloween Script onto Clear Computer Grafix Film.
7. Trim a strip from Halloween script to approximately 1" in width and adhere to the card base.
8. Embellish the card with a smaller strip of Gold Metallic Foil Board and a printed paper design.
9. Adhere to the printed Happy Halloween script to the card base.
10. Tie black fiber across the top of the card.
11. With a fan brush, apply Metallic Gold paint splatters to the card.
12. Allow to dry.
13. Use Grafix Artist-tac to adhere to the die-cut pumpkin element to the front of the card.
