Not able to draw faces yet?

Practice drawing face structures by tracing magazine faces on Graftix Matte Dura-Lar Film!

Supplies:

Graftix Matte Dura-Lar Film
Faber Castell Goldfaber Colored Pencils
Faber Castell Lettering Art Bold Pit Artist Pens
Faber Castell Black Fine Pitt Pens
Magazine of Choice

Directions:

1. Start by selecting a face to work with from your magazine of choice.
2. Place a sheet of Graftix Matte Dura-Lar Film on top of the magazine image and begin to trace the face structure with Faber Castell Goldfaber Colored Pencils.
3. After the main structure of the face has been completed, add additional elements like flowers with the Faber Castell Lettering Art Bold Pit Artist Pens and spread the color with a finger or a water brush.
4. If desired, add some text around the design.
5. Outline all the elements using the Faber Castell Black Fine Pitt Pens.
6. Finish your design with any added shading or detail with colored pencils.
