

# Stenciling on Opaque Black Craft Plastic Film

Designed by: Cat Kerr

Create unique stencil designs on Graftix Opaque Black Craft Plastic Film which is perfect for creating pages for your journal, on DIY cards, and in assemblages.

## Supplies:

Grafix Opaque Black Craft Plastic Film

Cat Kerr Stencil <https://www.stencilgirlproducts.com/stencils-cat-kerr-s/2043.htm>

White Gesso

Acrylic Paint (your choice of colors)

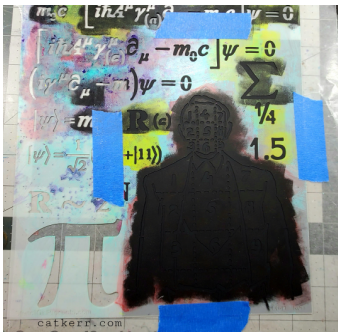

Cosmetic Sponge

White Sharpie

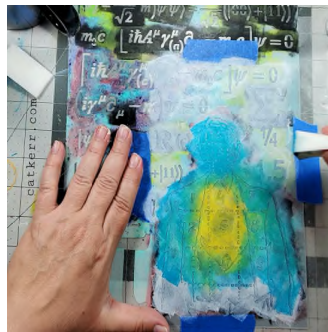

Colored Pencils (your choice of colors)

## Directions:

1. Start by taping down the Cat Kerr stencil on Graftix Opaque Black Craft Plastic Film.
2. Next, add white gesso through the stencil using a cosmetic sponge and let dry. (The brighter the white, the more vibrant the colors will appear in the next step. Add multiple layers of gesso if desired).
3. Then add your choice of acrylic paint through the stencil using a cosmetic sponge and then let dry.
4. Remove the stencil.
5. Add doodles to the black areas of the page using a white Sharpie.
6. Lastly, highlight the focal image using a colored pencil.
