

Grafix Shrink Film Garden Markers

Designed by: Natasha Dzurny

Remember what you planted with these adorable Shrink Film Garden Markers.

Supplies:

- Grafix White Shrink Film (1 sheet per marker) or Grafix Sanded Shrink Film
- 400 Grit Sandpaper
- Colored Pencils
- Permanent Marker
- Popsicle Sticks
- Scissors or X-Acto Knife
- Oven or Heat Gun
- Hot Glue & Glue Gun
- Printed Image of Vegetables (Optional)
- Gel Medium or Modge Podge (Optional)

Directions:

1. Start by sanding Grafix White Shrink Film with 400 grit sandpaper to allow the colored pencils to mark it.
2. Print the vegetable designs, or draw a design of your own.
3. Place the sanded Shrink Film over the printed design and trace it with a permanent marker.
4. Color the design with colored pencils.
5. Use scissors or an X-Acto knife to cut out the shape, leaving an even white border around the edge.
6. Follow the instructions on the packaging to shrink the plastic using your heating method of choice (oven or heat gun).
7. Glue the finished design to the Popsicle stick with hot glue.
8. If you want to add a protective shine to your markers you can add either a gel medium or Modge Podge to the designs.
9. Place the sticks in your planter to mark the vegetables that you planted.
