## Directions

1. Start by cutting the Graftex .005 Matte Dura-Lar Film with scissors to the size of the 3-D texture plate then pass it through the Big Shot of Sizzix.
2. Next, pass the embossed film through the die-cut machine with a stitched label die.
3. Use a little Gelatto green and Fabrika Decoru Pigment Powders, Autumn Foliage color - Magic Paint with Effect with water spray. (This will make the pigment run and leave colored paths, then dry with your dryer).
4. Stamp the film with the "Un rond avec des Croix" Carabelle Studio Stamp and Archival Ranger Rose Madder permanent ink.
5. Then stamp with the "Un rond Avec des points" Carabelle Studio Stamp and Archival Ranger Vibrant Fuchsia permanent ink.
6. Next stamp with the "Journal du Jour" Carabelle Studio Stamp and Stazon Black permanent ink.

7. Take Graftix .007 Clear Craft Plastic Film and stamp with the Sizzix Sparkle Heart - Framelits with the stamp set.
8. Then using the Zing Grapefruit embossing powder with the Stazon White pigment ink - snowflake a diamond and two glitter symbols.
9. Pass the stamped Craft Plastic through the Sizzix Big Shot with the corresponding die that goes in the set.
10. Mount the label and all the elements with Graftix Artist-tac.
11. Taking advantage of the fact that the Matte Dura-Lar is translucent, which will go on top of a Geometrical pattern scrapbooking paper – Home April Paper Ru. You can see parts of the background paper design and cut the paper a little larger than the label, so the edges protrude. You can leave a torn edge with your fingers.
12. Between the paper and the tag, you can add a piece of Kora chipboard triangle background on one side.
13. On the other side you can put a piece of cloth with embroidery, also torn.
14. In the center, you can paste a sentiment between the label and some tarlatan threads.
15. Finally, glue the diamond shape and the two pieces with the shining symbol.
16. As this label die did not have a hole, you can make one with the Crop-a-tell and in the hole and add a black sari ribbon from #Saridesara.
