

Shrunken Grafix Succulent Artist Series Shrink Film Embellishments

Designed by: Gina Lee Kim

Add custom succulent embellishments designed by Gina Lee Kim from Grafix's Artist Series Shrink Film collection to your art journal, keychain, as a gift tag and more!

Supplies:

Grafix Succulent Artist Series Shrink Film
Scissors
X-acto Knife
Alcohol Markers (Your Choice)
Ranger Stickles or Glitter Glue
Lanyard Hooks

Directions:

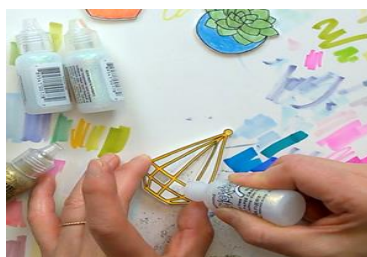

1. Cut out the shapes with scissors. Use X-acto knife to create a few openings (e.g. terrarium glass). Remember to punch holes for hanging with a standard 1/4" hole-punch.
2. Colorize shrink film surface with alcohol markers. TIP: Shrinkable plastic will bake several shades or values darker than the original.
3. Use various shades of hues for a more pleasing, blended look.
4. Bake according to directions.
5. Decorate baked film with sparkly Ranger™ Stickles or glitter glue. Set aside to dry.
6. Attach each final design with lanyard hooks and embellish your garden journal or travel journal.
