

Grafix Perpetual Calendar

Designed by: Tania Ahmed

Project description

Create this cute and useful calendar perfect for any workspace using Grafix Products

Supplies:

Grafix Chipboard
Grafix Metallic Foil Board
Grafix Artist Tac
Grafix Opaque White Craft Plastic
Woodgrain patterned paper
Book rings
Hole Punch

Directions:

1. Cut Chipboard into pieces two of 4.5"x6", 2.5"x6" and ¼"x6"
2. Mark spots on Chipboard at 1", 3" and 5" to punch holes on the two 4.5"x6" pieces
3. Cut patterned paper pieces the same size as chipboard
4. Peel release sheet off Artist-tac and apply on to chipboard pieces
5. Apply patterned paper to chipboard pieces
6. Punch Holes into the two 4.5"x6" pieces
7. Apply Artist Tac to ¼"x6" chipboard piece and apply to 2.5"x6" chipboard piece
8. Create a "hinge" using more patterned paper cut to 2"x6"
9. Use Artist Tac to adhere the hinge to 4.5"x6" and 2.5"x6" pieces adjacent to the lip created by the smallest chipboard piece
10. Cut twenty five 2"x4" pieces of Opaque White Craft Plastic and punch holes in the top centre of the film
11. Die cut Metallic Foil Board to spell out the months of the year along with numbers for days
12. Apply Artist Tac to the back to the die cut Metallic Foil Board and stick on to Opaque White Craft Plastic pieces.
13. Add book rings to perpetual calendar base and add on the second 4.5"x6" piece along with the Opaque White pieces
