tips & tricks

Original Nib

# Incredible Nib

A double-ended tool, with broad and fine acrylic fiber nibs, that are ideal for applying liquid frisket and can also be used with other water-based mediums.

Wet nib with water  
before using.

Clean with water or  
a baby wipe when  
finished

Dishwasher safe!

- Use as a spatter tool to create stars or snow.
- Use the nib to create resist patterns on surfaces like Dura-Lar.
- Try it for lifting, blending or softening colors
