WHITE MASK

Fluid

Easy to remove

Quick dry

Non-staining

tips & tricks

Liquid Frisket

Incredible White Mask

A high-quality latex which assures an easily removable, durable mask. It is quick drying, non-staining, tint able, and can be sprayed without being diluted.

Store upside down.

Pour a small amount into separate container while working.

Make sure paper & mask are dry at all stages.

- 
- Use a hair dryer to speed up the drying process.
 - Try with acrylics and alcohol inks.
 - Can be tinted with a few drops of non-staining watercolor.
 - Try on different surfaces like plastic films, glass, and sealed wood.
